

## TEAM OF THREE COMPETITION @ ROYAL NORFOLK SHOW

The club was represented in the Team of Three at the Royal Norfolk Show by Caroline Hytch (Navaho Sunrise Daisy), Jill Osborne-Biddiscombe (Dylan) and Esther Bean (Fraizer). Eleven clubs took part in the competition.

The three coloured horses made an eye catching trio and the three riders worked hard to create a matching ensemble. They all wore plain dark jackets, burgundy stocks and cream button holes.

All the hard work the team had put in practising paid off. Although the horses were on their toes in the turnout phase they settled to their work in the show and all enjoyed the gallop.

A club member who was watching said *'They rode to perfection. Their halt was completely in time and all 3 of them*

*Practice makes perfect – Nearly together!*  
*square. And the jumping was almost like they were all joined through their hips. It was quite emotional to watch. They were smiling at the end.'*

The standard was high. Victory, which was well deserved, went to the East Anglian Bloodhounds. Adventure Riding Club and the Side Saddle Association came second and third respectively with our BBRC team taking a very credible fourth.
