

## **BECCLES & BUNGAY RC AGM & PRIZE GIVING**

The Beccles & Bungay RC AGM and Prize Giving took place at Haddiscoe Village Hall on Saturday 19<sup>th</sup> November. It was attended by about 55 members.

The formal part of the evening was short and sweet. Our Chairlady, Marcia Fenwick gave a synopsis of the years the events and thanked committee for all their hard work which has ensured a successful year for the club despite the recession.

Diane Deller, the Treasurer, then reported on the healthy financial state the club is fortunate to be in. and gave a brief run down on membership.

Reports were then given on both the Senior and Junior teams. Caroline Hytch stepped down as Senior Team Manager and the club has given her a sterling silver stock pin as token of their appreciation of her dedication. Corinne Bullock is taking on this role for the 2012 season. The club has received this thank you from Caroline –  
*'To all club members a large thank you for the wonderful stock pin and I will wear with pride when prancing around trying to do dressage. A large thank you to all team members past and present and I hope that the success is continued under the watchful eye of Corrine.'*

The officers were then re elected. Emma Davey stepped down from the committee and was presented with a photo frame thanking her for her hard work. Michelle Kelly was voted onto the committee as Emma's replacement.

As the club is in a strong financial position it was decided not to increase membership fees despite the BRC increasing the affiliation fee. Entry fees will also remain the same for 2012.

Following the AGM everyone enjoyed a fabulous supper provided by the committee and there were some really scrummy deserts.

The raffle, where all prizes had been donated, raised a marvellous £119. This will go to the Team account which provides assistance in covering some member's costs of attending Championships.

The evening then went on to the trophy presentation. Rosemary Rushmer, one of the longest serving committee members, presented the trophies.

The beautiful rosettes were all made by Christine Osborne.

Gill Sandom presented the new Silver Senior Trophy which she has donated to the club. This trophy is for the member aged 55 years or over with the most points over all disciplines and was won by Alan Westgate and 'Wallis'.

Jane Stone presented the award for the 'Most Improved Rider and Horse' in an Oscar manner reading out the nominated riders, which included Warren Hytch (Freddie Star) Sarah Sayers (Willow), Sue Stock (Pandora) and Alan Westgate (Wallis), with the winner being Sarah Tompkins (Jimbob).

Alan presented with Silver Senior Trophy by Gill Sandom

As a result of members requests this year the Members Points have been published at intervals during the year on the web site so members could see how they were fairing. This resulted in a new team taking on the points recording. This is a complicated affair and has been challenging for the team. There were a few glitches but other than a few members being thought to be younger than they actually are the final presentation has ensured the trophies have gone to the rightful winners.

Georgia Cattermole presented  
With one of her many trophies

The exception to this was the Gymkhana Trophy. This was not presented as until the Presentation Evening the team were unaware of the trophies existence! Georgia Cattermole has been the recipient of this trophy in recent year and on checking the records she indeed has taken the trophy for the 2011 season. However the Morris family are hot on her heels and we look forward the contest between them next year.

We apologise for the small mistakes made. The issues have been addressed, lessons learned and hopefully all will be resolved next year. This is the reason for requesting dates of birth being requested on all renewal forms this year.

The committee are already planning for the 2012 season and before Christmas are holding a meeting to arrange the event dates. See the 'Forthcoming Events' column on the club web site for details of next years events.

This year the club plans to go paperless. This is to reduce the cost of printing and posting which is becoming increasingly expensive. All schedules will be available on the club web site, and open events will be on Horsedates. The Yearbook and booking forms for training and clinics etc will all be available on line. Any problems accessing the information please contact Linda Reed the Web Administrator.

We will cater for the few non IT members but it would be extremely helpful if members with web site access could update any members they know without IT facilities of any news from the club web site.

Lucy receiving the Charlie XC  
Challenge Cup

As a club we are extremely fortunate in the facilities available to us. However we constantly strive to improve both our equipment and the events we run and try to cater for all abilities. We are very grateful to our members that have supported us so well during the 2011 season and we look forward to seeing you all again in 2012.

The array of trophies presented by the club

## TROPHY RESULTS

### PICKLES TROPHY – Members 10 years & Under- All disciplines
