

YOUR COUNTY NEEDS YOU!

Sunday 29th September in Newmarket

How do you fancy being a team member for your County taking on the other four Counties included in the Eastern Region for the RoR?

Well, we've organised an intra-regional competition which will have 3 competitors from each County competing against each other in 3 Disciplines (Showing, Dressage and Jumping) to find out what County has the best team, culminating in winners of each Discipline plus overall Champion Team.

If you compete in In-Hand Showing, Ridden Showing, or can do a Prelim or Novice Dressage Test, or Jump 2'6" or 3', then how about it? You can either do all the disciplines or just choose what ones you want to.

Each County Team will be chosen from the information supplied by riders about their competition record.

Class entries will be £8 each.

If your horse is registered with the RoR (it's free to join), then contact me for full information and an application form.

Only those living in Essex, Herts, Suffolk, Cambs & Norfolk.

Late news: We are now also having an "Outsiders" team for anyone bordering our region – so feel free to apply to join in.
