All entrants must pay a prelim entry of **£29** per team, **£9** per individual or **£14** per pair to British Riding Clubs at least 21 days before the date of the qualifier (above). Entry forms can be found on the BRC website for postal entries www.britishridingclubs.org.uk or online entries can be made via the BHS bookshop www.britishhorse.com Late prelim entries may be accepted with a late surcharge of £20 per team and £10 per individual or per pair. Late entries cannot be guaranteed and permission must be sought from the organiser in the first instance before payment is made.

If the date of the qualifier is cancelled for any reason, the close of prelim entry will remain. However, if the qualifier is moved more than 21 days later, entries will be re-opened but late entry fees cannot be refunded. Eligibility will be considered from the original close of prelim entry date.

Any competitor entered as part of a team is automatically entered as an individual as well. Qualifier teams are also automatically entered into the Area only competition. **Entries close on 9th July.**

All hats must have a visible orange BRC hat tag in place before they are used for warming up and competing. There will be a trained steward at the competition that is able to tag your hat for you if it doesn't already have one.

Your horse must have up to date Influenza vaccinations in line with rule G7 in the current BRC Rulebook. There is a checking device on the BRC website, but please call the BRC team if you need reassurance that the dates are valid.

Protective Headgear

'Protective Headwear' must be worn at all times by anyone, whether or not a Competitor, riding anywhere at a BRC event. Harnesses must be correctly adjusted and fastened. At all BRC Championships and qualifiers 'Protective Headwear' must show a visible BRC 'hat tag'. 'Protective Headwear' constitutes a hat which meets one of the following standards. Failure to do so will incur elimination.

PAS 015 (1998 or 2011) and must have BSI Kitemark

VG1 01.040 (2014-12) and must have BSI Kitemark

ASTM F1163 (2004a or 04a onwards) and must have SEI mark

SNELL E2001 and must have SNELL label and number

AS/NZS 3838 (2006 onwards) and must have SAI Global mark

Due to a change by the European Commission regarding EN1384 and BSEN1384 no longer being an accepted standard, all hats which only meet the EN1384 or the BSEN1384, and do not comply with the above list, WILL NOT be accepted and therefore will not be permitted for any BRC competition. Hats which bear the EN1384 or BSEN1384 along with another standard from the above list will be tagged. For example, BSEN1384 & PAS015 (1998 or 2011) along with the kitemark, would be acceptable, but not BSEN1384 on its own.

Body Protectors

A body protector is obligatory in all cross-country competitions and is strongly recommended in show jumping competitions. A BETA Level 3 (purple label) which has a 2000 or 2009 label must be worn. Body protectors should be fitted and worn as per the manufacturer's instructions. The up to date BETA list of body protectors can be obtained from www.beta-uk.org.

If a rider chooses to wear an airbag style body protector it must be worn over a permitted BETA Level 3 (purple label) body protector and if activated, must be deflated or removed before continuing. Hybrid Air-jackets and blouson style air jackets are permitted. It is recommended that body protectors are replaced once they are more than 5 years old.

Riders wearing Exo Body Cage protectors must inform the secretary at all events.

Tack and Dress Rules

Please make sure you adhere to tack and dress rules found in the current version of the BRC rules. The current rulebook is available to download online. If you have a query regarding these rules, please ring BRC on 02476 840593.

Running Order

In order to run the day efficiently it is anticipated that competitors will be given times. Therefore the order that the classes may take place will not necessarily be as per the schedule. In the first round teams members may be required to jump consecutively. In the second round and any subsequent jump off teams will not jump in succession.
