

# JONTY EVANS SHOWJUMPING CLINIC

**Area 14 Training Day - Saturday 4<sup>th</sup> February 2017**  
Easton & Otley College, Bawburgh Road, Easton, Norwich, NR9  
5DX

With thanks to BRC Area 14 & Easton & Otley College for their support.

Jonty Evans finished in 9<sup>th</sup> place at the Rio Olympic Games 2016 riding Cooley Rourkes Drift. He was one of only three riders to jump triple clear.

Jonty is a 4\* event rider and when he is not riding he spends much of his time teaching and has pupils ranging from BE80 to Advanced. His teaching is much sought after, and we are lucky to have secured him to come to Norfolk.

Each club in Area 14 has two guaranteed places and can submit names for two reserve riders. Cost £25 per person. All names to be submitted with payment by 31<sup>st</sup> December 2016.

Sessions at 80cm, 90cm & 1m.
