

Jane Powell

It is with great sadness to let you know that Jane Powell passed away on Monday.

Jane joined the committee in 2013, and more recently held the post of Vice Chair. Jane did a lot for the club behind the scenes, as well as running shows, in particular the Hunter Trials. Juggling her job, home life, her horses and hobby, Jane always found time for Beccles & Bungay RC.

Very sadly, Jane was diagnosed with a brain tumour earlier this year, and initially continued to support the club and work with the committee, but was persuaded to step aside and spend time with her family and rest.

We will miss Jane at the club with her horse Pravda. She was a super special lady.

Our condolences go out to her family and friends.

Marie, BBRC Secretary
